**AGREED ORDER GRANTING FINAL APPROVAL TO
CLASS ACTION SETTLEMENT AND FINAL JUDGMENT**

On May 30, 2024, the Court granted preliminary approval to the proposed class action settlement set forth in the Settlement Agreement and Release between Plaintiff Heather Hughes-Richmond, individually and on behalf of all members of the Settlement Class, and Defendant Waldom Electronics, Corporation (“Defendant”) (collectively, the “Parties”). The Court also provisionally certified the Settlement Class for settlement purposes, approved the procedure for giving Class Notice to the members of the Settlement Class, and set a Final Approval Hearing to take place on September 4, 2024.

On September 4, 2024, the Court held a duly noticed Final Approval Hearing to consider: (1) whether the terms and conditions of the Settlement Agreement are fair, reasonable, and adequate; (2) whether a judgment should be entered dismissing the Plaintiff’s Complaint on the merits and with prejudice in favor of Defendant and against all persons or entities who are Settlement Class Members herein who have not requested exclusion from the Settlement Class; and (3) whether and in what amount to award counsel for the Settlement Class Attorneys’ Fees and Expenses and whether and in what amount to award a Service Award to Plaintiff.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

I. JURISDICTION OF THE COURT

1. The Court has personal jurisdiction over the parties and the Settlement Class Members, venue is proper, and the Court has subject matter jurisdiction to approve the Settlement Agreement, including all exhibits thereto, and to enter this Final Approval Order. Without in any way affecting the finality of this Final Approval Order, this Court hereby retains jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and of this Final Approval Order, and for any other necessary purpose.

2. The Settlement Agreement was negotiated at arm's length by experienced counsel who were fully informed of the facts and circumstances of this litigation (the "Action") and of the strengths and weaknesses of their respective positions. The Settlement Agreement was reached after the Parties had engaged in extensive settlement discussions and after the exchange of information, including information about the size and scope of the Settlement Class. Counsel for the Parties were therefore well positioned to evaluate the benefits of the Settlement Agreement, taking into account the expense, risk, and uncertainty of protracted litigation.

3. The Court finds that the prerequisites for a class action under 735 ILCS § 5/2-801 have been satisfied for settlement purposes for each Settlement Class Member in that: (a) the number of Settlement Class Members is so numerous that joinder of all members thereof is impracticable; (b) there are questions of law and fact common to the Settlement Class; (c) the claims of Plaintiff are typical of the claims of the Settlement Class he seeks to represent; (d) Plaintiff has and will continue to fairly and adequately represent the interests of the Settlement Class for purposes of entering into the Settlement Agreement; (e) the questions of law and fact

common to the Settlement Class Members predominate over any questions affecting any individual Settlement Class Member; (f) the Settlement Class is ascertainable; and (g) a class action is superior to the other available methods for the fair and efficient adjudication of the controversy.

II. CERTIFICATION OF SETTLEMENT CLASS

4. Pursuant to 735 ILCS § 5/2-801, this Court hereby finally certifies the Settlement Class, as identified in the Settlement Agreement: **All individuals who work or worked for Defendant in the State of Illinois within the five year period preceding the date of the filing of the Action up until March 28, 2024, whose biometric identifiers or information (for example, fingerprints, finger scans or hand scans) were allegedly collected, captured, obtained used, or disclosed by Defendant and who did not sign a consent form in violation of BIPA as alleged in the Action.**

Excluded from the Settlement Class are: (1) the trial judge presiding over this case; (2) Defendant, as well as any parent, subsidiary, affiliate, or control person of Defendant; (3) any of the Released Parties; (4) the immediate family of any such person(s); (5) any Settlement Class Member who has timely opted out of this proceeding; and (6) Plaintiff's Counsel, their employees, and their immediate family.

III. APPOINTMENT OF CLASS REPRESENTATIVES AND CLASS COUNSEL

5. The Court finally appoints Mark Hammervold of Hammervold Law and Rachel Dapeer of Dapeer Law, P.A. as Class Counsel for the Settlement Class.

6. The Court finally designates Plaintiff as the Class Representative.

IV. NOTICE AND CLAIMS PROCESS

7. The Court makes the following findings on notice to the Settlement Class:

(a) The Court finds that the distribution of the Class Notice, as provided for in the Settlement Agreement and performed by the Court approved Settlement Administrator -----, (i) constituted the best practicable notice under the circumstances to Settlement Class Members, (ii) constituted notice that was reasonably calculated, under the circumstances, to apprise Settlement Class Members of, among other things, the pendency of the Action, the nature and terms of the proposed Settlement, their right to object or to exclude themselves from the proposed Settlement, and their right to appear at the Final Approval Hearing, (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons entitled to be provided with notice, and (iv) complied fully with the requirements of 735 ILCS § 5/2-801, the Rules of this Court, and any other applicable law.

(b) The Court finds that the Class Notice and methodology set forth in the Settlement Agreement, performed pursuant to the Preliminary Approval Order, and this Final Approval Order (i) constitute the most effective and practicable notice of the Final Approval Order, the relief available to Settlement Class Members pursuant to the Final Approval Order, and applicable time periods; (ii) constitute due, adequate, and sufficient notice for all other purposes to all Settlement Class Members; (iii) comply fully with the requirements of 735 ILCS § 5/2-801, the Rules of this Court, and any other applicable laws; and (iv) satisfies any and all state and federal constitutional requirements including but not limited to Due Process.

V. FINAL APPROVAL OF THE CLASS ACTION SETTLEMENT

8. The Settlement Agreement is finally approved in all respects as fair, reasonable and adequate. The terms and provisions of the Settlement Agreement, including all Exhibits thereto, have been entered into in good faith and are hereby fully and finally approved as fair, reasonable,

and adequate as to, and in the best interests of, each of the Parties and the Settlement Class Members.

9. The Parties are hereby directed to implement the Settlement Agreement according to its terms and provisions. The Administrator is directed to provide Claim Settlement Payments to those Settlement Class Members.

The Court finds that the requested fees are reasonable under the percentage of the fund for the reasons set forth herein. The award of attorneys' fees and costs to Class Counsel shall be paid from the Settlement Fund within the time period and manner set forth in the Settlement Agreement.

11. The Court hereby awards Class Counsel for their time incurred and expenses advanced. The Court has concluded that: (a) Class Counsel achieved a favorable result for the Class by obtaining Defendant's agreement to make significant funds available to Settlement Class Members; (b) Class Counsel devoted substantial effort to pre- and post-filing investigation, legal analysis, and litigation; (c) Class Counsel prosecuted the Settlement Class's claims on a contingent fee basis, investing significant time and accumulating costs with no guarantee that they would receive compensation for their services or recover their expenses; (d) Class Counsel employed their knowledge of and experience with class action litigation in achieving a valuable settlement for the Settlement Class, In spite of Defendant's possible legal defenses and its experienced and capable counsel; (e) Class Counsel have standard contingent fee agreements with Plaintiff, who
